ORDER
DENYING AND
GRANTING REQUESTS

This matter comes before the Public Service Commission of South Carolina (the Commission) on the two requests of Carl's, Inc. DBA Apartment Movers, Etc. (Carl's or the Company) on two separate items.

First, Carl's requests permission to send a \$10.00 coupon to customers to be used on their next move or to be given to a friend and, also, that Carl's be permitted to leave business cards with apartment complexes that offers \$5.00 off any tenants move.

The Commission has examined this request and must deny it. Deviations from the filed tariff for movers of households goods are not encouraged by this Commission. Further, the Commission sees little value in a \$10.00 or \$5.00 coupon to be applied to a move which typically costs much more. Therefore, the initial request of Carl's is denied.

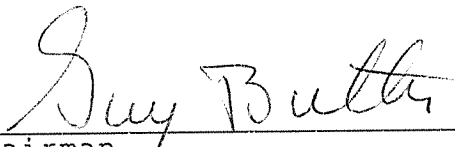

Next, Carl's would like to modify its rate for mobile home dealerships. The Company would like to establish an exclusive

rate in its tariff for such customers of \$50.00 per hour for 2 men, equipment, and a truck.

We have examined this matter and agree that Carl's may modify its tariff to reflect this new lower rate. The Commission believes that such a rate is good to promote competition in South Carolina.

This Order shall remain in full force and effect until further Order of the Commission.
